The median salary of an immigration lawyer is $115,820, and it requires both an undergraduate and law degree, plus passing a bar exam to earn the right to earn that salary.

Ironic that under Biden it's more lucrative and cost effective to simply violate U.S. immigration law.

I tried to warn folks to get there Turkey's about 3-4 weeks ago. We shouldn't have these problems in America, but thanks to Biden's regulations & insane mandates we do.

I was blessed to pick up a couple of turkey's last month and put them in my deep freeze. #LetsGoBrandon

My kids' school sent a note saying they can wear Halloween costumes to school tomorrow as long as they don't cover the face because it will "hinder the learning environment."

I was waiting for the punch line at the end but apparently they didn't see the irony in their message 😂

I tried to warn folks to get there Turkey's about 3-4 weeks ago. We shouldn't have these problems in America, but thanks to Biden's regulations & insane mandates we do.

I was blessed to pick up a couple of turkey's last month and put them in my deep freeze. #LetsGoBrandon

Exactly what we all need while trapped at 30,000 feet with hundreds of strangers are you missing the upward trending of in-flight violence? Divisive opinions have no place inside an airplane. Especially from those in charge. I pity the flight attendants on that plane

Take it from me, 14 years as an attorney. The Court is NOT where you resolve vaccine and mask mandate issues. Unless you want to be set up for disappointment or wait five years for an opinion, massive civil disobedience, walkouts and just saying no works much better and quicker.

I'm not a conservative or a Christian, but I just spent a weekend with a whole bunch of people who are at the #FaithNFreedoms conference.

And guess what? It was really fun and no one tried to cast me out or smite me.

Thank you to @RealMattCouch and @leadpastor for having me!

It's amazing that the United States Government agencies can't track down or find illegals entering our country but they somehow can find a way to get every single one of them a check...

Super strange how this is working out, isn't it...

You know they are ALREADY planning on trying to keep Trump from running in 2024. The wheels are turning, and the propaganda machine is churning - that's why they CANNOT let him out of the news.

They will do ANYTHING to destroy him and distract from his potential political run.

I've been asked when I knew for certain that I wouldn't take this new "vaxx."

I'd say sometime around November of 2019. Yeah...you read that right.

I've been asked when I knew they would try to force it on us.

Same timeframe. You also read that right... 🤔😉

Polio vaccine took 30+ years to be developed, tested, and brought to market - the version that takes care of three strains. You're not making the point you think you are, peeps. Covid vaccines out for less than a year.

Polio, like smallpox, mumps and measles, also mutates very slowly. The situations aren't comparable.

Democrats can steal small amounts of votes in multiple counties but if you turn out in the numbers you did in Virginia, you make the math impossible for them.

Those telling you not to vote because it's futile are nothing but controlled Stalinist opposition.

And anyone on our "side" telling you that your vote "doesn't matter" should never be trusted. We all know that the Democrats cheated their asses off yesterday in Virginia. But we showed up and voted. We won. VOTE.

You realize he's literally saying "Sure, slaughter my offspring, it's cool with me babe.."

You're in a relationship with that dude... Think about that...

How this young generation of Liberals doesn't know history is baffling... Never forget that Fifty-two American diplomats and citizens were held hostage for 444 days from November 4, 1979, to January 20, 1981, in Iran..

They are NOT our friend.. They do not like you..

I'm tired of folks that sit on their hands and wait until they have support to speak up!

And I thought I had nothing in common with PRO-LIFE. The elite did an excellent job bringing all people together against them. Now only the unbureaucratic disappearance of the same elite is missing and we can finally live in peace on this planet.

The Danchenko indictment is a very big deal. The timing of his trips to Moscow dovetails precisely with the DNC/Nakashima hacking story. Also the same time someone was running HRC "dirt" at Don Jr. It's beginning to feel like Durham may be on track to flip the script.

Biden's tyrannical vaccine mandate goes into effect on January 4th. We're fighting back at the Daily Wire. We made a difference in Virginia and we can win here too. Lawsuit was filed this morning. You can talk all you want but it means nothing if you still comply. We won't.

Hey @PressSec I heard you say today that the American people want the largest Bill in American history to pass.

You lie!!!

1. We don't even know what's in the bill.
2. If it's something @SpeakerPelosi wants passed we dang sure don't need it.

It's always amazing when Liberals call Conservative Christians "Conspiracy Theorists..."

You do realize what the Bible says, right?

We believe that our GOD ROSE FROM THE DEAD... Healed the Sick, Performed Miracles, and Died for our Sins..

Y'all can't handle the truth!

Again, I don't expect this to get many retweets or likes, because it hits people in the gut. They love to talk about how strong their faith is, but are mostly all talk

If you believe all of that, but you don't believe that tyranny can happen? It's unbelievable

Read what the Bible says.. Do you really believe Christ died and rose again? Performed Miracles? Died for our sins? Healed the Sick?

If you do, then some of ya'll claiming to be Christians should probably stop calling those of us questioning "Tyranny" conspiracy theorists..

This won't get hardly any likes or retweets, because it's the absolute Truth

Most Christians talk a big game about how they believe, but then don't believe simple things happening before their eyes. It's a sad showing of their lack of faith and relationships with God!

Your tweet is baseless. If you correlate the time when states stopped benefits and the unemployment rate, it was still high after benefits ended. So no people didn't go back to work due to not getting benefits,they chose to wait and seek opportunities that paid a livable wage 🤦🏾‍♂️

Is anyone going to stand up for @EmeraldRobinson who Newsmax benched for voicing her opinions and research against the Covid-19 vaccines?

Newmax continues to silence those that speak against the mainstream media talking points.. why?

Read what the Bible says.. Do you really believe Christ died and rose again? Performed Miracles? Died for our sins? Healed the Sick?

If you do, then some of ya'll claiming to be Christians should probably stop calling those of us questioning "Tyranny" conspiracy theorists..

This won't get hardly any likes or retweets, because it's the absolute Truth

Most Christians talk a big game about how they believe, but then don't believe simple things happening before their eyes. It's a sad showing of their lack of faith and relationships with God!

I worked for statewide elected politicians for nearly 30 years. Many don't know how to get things done or don't want to. Others do and will. I've worked for both. Today. Much fewer of those who want to make good changes that benefit the majority of voters.

I worked for statewide elected politicians for nearly 30 years. Many don't know how to get things done or don't want to. Others do and will. I've worked for both. Today. Much fewer of those who want to make good changes that benefit the majority of voters.

Americans - by virtue of living in a wealthy nation - are addicted to comfort. Instant gratification at the tap of a touchscreen. Which is why, at the onset of tyranny, so many simply complied because it's the easy thing to do.

When tyranny sends you a check in the mail, seems to acknowledge victimhood in every grievance, and claims to be the righteous savior of all things moral, it takes a deliberate kind of skepticism to combat. (Especially all those checks in the mail.)

I enjoy this because it's a step back!

4.5% inflation? That figure way low on our total inflation. The figures of fuel, building costs, home repair/appliances & products not even in production yet due to lack of materials are going up in price as manufacturers wait for materials to product them. #DollarCrashIsNear

Jokes on him, I invested the 16 cents savings from 4th of July BBQ in BTC - Thanksgiving meal inflation cost offset!

For all of the people complaining about Daylight Savings Time, I feel the complete opposite.

In the cold and winter months, it was a time to spend more time home with family, turn on the Christmas Lights, fall/winter activities, etc...

I enjoy this because it's a step back!

NYT is ignoring the fact that PV didn't steal the diary and tried to return the diary by giving them to the owner's attorney, then the law enforcement. NYT is saying PV got raided by FBI for the theft, so they can imply that PV might be a thief by NOT saying it. Dirty jornalism

Unless Ashley Biden's diary is a matter of national security, there is no reason that the FBI should be involved unless the Biden Administration is using the DOJ as its own private Gestapo and targeting effective journalists like James O'Keefe.

Biden is doing the bidding of others and intentionally destroying our society. We haven't seen a glimpse of the troubles we have coming our way. It would be wise to get as ready as possible.

A true “deadly pandemic” doesn’t require endless propaganda, fear-tactics, bullying, and bribery to let you know it’s legit.

It also doesn’t require a “super important” executive order that takes 6 months or more to implement from its inception. 🤣🤣🤣

It's vital for success of any society that people contribute or said society will fail and everyone will suffer. The programs Biden is implementing where it hemorrhages tax $ isn't sustainable. You need to realize everything has a breaking point without proper balancing of strain

Kyle Rittenhouse was unquestionably defamed, and by every indication (then and now) should never have been charged. With God's help he'll be acquitted, or the charges against him dismissed, soon.

But don't get your hopes up on his recovering affirmative relief from anyone.

The media are virtually bullet proof here. As much as they refused to look at any information or point of view that departed from a narrative they desperately wanted to be true, they can buck what they did to reliance on the prosecution.

6 · 11 · 80

Ron Coleman @RonColeman · 5m

As far as the prosecution itself, forget it. There is #noaccountability under the law for virtually anything a prosecutor does to anyone, unfortunately. There are exceptional cases, and Kyle's should be one of them, but likely won't be. (It's called immunity)

9 · 12 · 69

Ron Coleman @RonColeman · 4m

In saying this I am not prejudging any legal claim Kyle or his family might bring. As I always remind my friends, you don't really know what is or can be in a lawsuit if you don't have "the Redweld" yourself, and here I don't.

It's hard to describe just how disastrous it was for Trump to bring in Christopher Wray when he did. That was a critical moment for the FBI. An outsider was needed. A reformer. Not a standard DC loser who thought his job was to "protect the FBI". Crushing.

So when are we going to say screw it and take back our country?

quick read but a lasting thought. Pretty scary now.

Khrushchev's Message 61 years ago :

THIS WAS HIS ENTIRE QUOTE: A sobering reminder. Almost exactly sixty years ago since Russia's Khrushchev delivered his Do you remember September 29, 1959? THIS WAS HIS ENTIRE QUOTE:

"Your children's children will live under communism, You Americans are so gullible. No, you won't accept communism outright; but we will keep feeding you small doses of socialism until you will finally wake up and find you already have Communism. We will not have to fight you; We will so weaken your economy, until you will fall like overripe fruit into our hands." "The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."
